

ROSICRUCIAN UTOPIA

God of all beings, God of all life,
In the humanity we are dreaming of:
Politicians are profoundly humanitarian and
strive to serve the common good;
Economists manage state finances with
discernment and in the interest of all;
Scientists are spiritualistic and seek their
inspiration in the Book of Nature;
Artists are inspired and express the beauty and
purity of the Divine Plan in their works;
Physicians are motivated by love for their fellow beings
and treat both the soul and the body;
Misery and poverty have vanished, for everyone
has what he or she needs to live happily;
Work is not regarded as a chore, but as a source
of growth and well-being;
Nature is considered to be the most beautiful
temple of all, and animals are considered
to be our brothers and sisters on the path of evolution;
A World Government composed of the leaders
of all nations, working in the interest of
humanity, has come into existence;
Spirituality is an ideal and a way of life that
springs forth from a Universal Religion,
founded more upon the knowledge of
divine laws than upon the belief in God;
Human relations are founded upon love, friendship, and fraternity,
so that the whole world lives in peace and harmony.
So Mote It Be!
